Information for Ordering the
Baptist Identity Series Materials

The Baptist Identity Series can be used in a variety of ways by individuals, churches, associations of churches, institutions, conventions, and other entities. The Series is designed as a total package. However, items in the Series can be ordered either as a total package or each item can be ordered separately. The Baptist Identity Series is composed of the following items.

**Baptist Beliefs and Heritage**, a 120-page 11 x 8.5 book, is the core of the Series. It contains the nineteen Baptist Identity Leaflets, a brief summary of Baptist history, biographical sketches of several Baptist leaders, insights on key words and terms in the Series, historical vignettes, and pertinent information on each of the nineteen topics dealt with in the Baptist Identity Leaflets. The book is helpful to anyone wishing to learn about Baptist identity, but it is especially designed for use by persons studying the Baptist Identity Leaflets, either as an individual or as part of a group. The book would be an ideal gift to a new church member or to someone interested in becoming a member of a Baptist church.

The **Baptist Identity Leaflets**, nineteen colorful leaflets in a 4-page 5.5 x 8.5 format on Baptist beliefs and practices, are contained in the Baptist Beliefs and Heritage book and are also available in a packet of all nineteen leaflets. The leaflets can be used in many ways, such as handouts in worship services or other meetings, resources for special events, or information for persons interested in knowing about Baptist beliefs.

**Personal Study Guides**, an 88-page 5.5 x 8.5 book, contains nineteen guides including learning activities for use by persons in individual or group study on the topics in the Baptist Identity Leaflets. The book is designed to be used with the Baptist Identity Leaflets, either in the Baptist Beliefs and Heritage book or with the packet of individual leaflets. Although it can be ordered separately, ideally it should be ordered in combination with the leaflets, preferably as they are contained in the Baptist Beliefs and Heritage book.

**Leader’s Guide for Group Study**, a 60-page 5.5 x 8.5 book, contains guides for use by leaders of study groups on the topics in the Baptist Identity Leaflets. The book is for persons who are leading groups studying Baptist identity or who are considering establishing or leading such groups. The book is designed to be used with the Baptist Identity Leaflets, either in the Baptist Beliefs and Heritage book or in the packet of individual leaflets, and with the Personal Study Guides book. Although it can be ordered separately, ideally it should be ordered in combination with the leaflets and the Personal Study Guides book.

COST INFORMATION
Great effort has been made to keep the cost of the Baptist Identity Series as low as possible. The Series is produced by a not-for-profit religious/educational entity. The authors volunteered their time. A number of persons volunteered time to help in various ways, and others charged reduced rates for professional services. Funds were contributed to help cover the production costs. No profit is derived from the sale of the materials; income from sales will be used to reprint the materials. Effort will be made to maintain the pricing of the materials on this order form, but changes in printing, shipping, and processing costs in the future may require changes after 2015. See the website www.baptistdistinctives.org for prices.
